General Information:

24 Hour Emergency Service: Call 1-800-227-1376 if you smell a gas odor or if all of your gas appliances are out.

Customer Service Questions or Concerns: To contact Vectren Energy Delivery (Vectren) about your bill or service, call 1-800-227-1376 between 7 a.m. and 7 p.m., Monday through Friday. Authorized pay sites are available in your neighborhood for your convenience. To locate an authorized pay site nearest you, visit www.vectren.com or call 1-800-227-1376. You can pay your bill through a checking or savings account for free at www.vectren.com or by calling 1-800-227-1376. If you would like to write to Vectren, please send correspondence to P.O. Box 209, Evansville, IN 47702-0209 or visit our web site at www.vectren.com. If you have selected a third-party gas supplier through the natural gas Choice program and have questions regarding your gas supply charges, please refer to the gas supplier and toll free number listed on the front of your bill in the "Important Information" section. The nonpayment of charges for ancillary service unrelated to regulated distribution service shall not result in the disconnection of regulated gas distribution service.

Customers with billing or service issues or concerns regarding a disconnect notice should contact Vectren prior to contacting the Public Utilities Commission of Ohio (PUCO). If the complaint is not resolved after having contacted Vectren or for general utility information, residential and business customers may call the PUCO toll free at 1-800-686-7826 or for TDD/TYY at 1-800-686-1570 from 8:00 a.m. to 5:00 p.m. weekdays or at www.puco.ohio.gov. Residential customers may also contact the Ohio Consumers' Counsel (OCC) for assistance with complaints and utility issues at 1-877-742-5622 (toll-free) from 8:00 a.m. to 5:00 p.m. weekdays, or at www.pickocc.org.

Terms & Definitions

Distribution and Service Charges - Charges billed each month for the delivery of natural gas and other charges approved by the PUCO to ensure safe, reliable service.

Customer Charge - Charge billed each month to recover a portion of the ongoing fixed costs of providing service to the customer. The Customer Charge does not vary with gas consumption.

Monthly Charge - Charge billed each month to recover the costs of delivering gas to the residential customer. The Monthly Charge does not vary with gas consumption.

CCF (100 Cubic Feet) - Gas consumption is measured by your meter in hundreds of cubic feet.

Standard Choice Offer - Under Vectren's Standard Choice Offer (SCO) service, Vectren customers are receiving natural gas provided by third-party suppliers at a retail price adjustment of \$0.155 per CCF plus the New York Mercantile Exchange (NYMEX) month-end settlement price for natural gas. The SCO suppliers won the right to provide gas supply to customers at the SCO price, which was determined in a competitive auction. Because the majority of the SCO price reflects the NYMEX-based market price, the monthly price can vary with changes in supply and demand. The SCO price is charged to customers who have not selected an alternate gas supplier through the natural gas Choice program. The name of the gas supplier providing the SCO service rate appears on the bill.

Gas Cost Charge (DSS) - Under Vectren's Default Sales Service (DSS), Vectren purchases natural gas through third-party suppliers at a retail price adjustment of \$0.155 per CCF plus the New York Mercantile Exchange (NYMEX) month-end settlement price for natural gas. Because the majority of the DSS charge reflects the NYMEX-based market price, the monthly price can vary with changes in supply and demand. The DSS price is charged to customers who are not eligible to select an alternate gas supplier through the Choice program or those who have elected not to continue service with a Choice supplier.

Gas Supplier (also referred to as a gas marketer) - A person or company who is certified by the Public Utilities Commission of Ohio (PUCO) to sell natural gas in a competitive retail market.

Gas Supplier Charges - Charges billed each month for the consumption of natural gas supplied by a retail gas supplier.

Miscellaneous Charges - Examples of miscellaneous charges may include but are not limited to reconnect fees, labor charges and returned check charges.

Multiplier - Factor used to calculate consumption on meters with higher than the standard delivery pressure. A multiplier greater than 1 indicates a delivery pressure that is greater than Vectren's standard delivery pressure.

PIPP - The Percentage of Income Payment Plan Plus (PIPP Plus) is available if your total income is at or below 150% of the Federal poverty level. This program does not reduce or waive energy costs; it only establishes a payment plan to allow you to maintain your utility service.
